

## december-08-show

reggae-dub ...step!

this year, we skank it up for christmas! starting with a blend of pure classical reggae-dub tunes stamped on authentic vinyl, we make a forward shift into its modern version called "dubstep", still using the same sound carrier: actually, it's only the bass that makes a tiny difference... the show is entirely played by **new.com** (p45/cmfrt\_ns\_prdctns/dub\_ex\_machina).

- total playing time: 3h/01m/06s
- mixed & produced by new.com
