

## february-09-show

if rumpelstiltskin was a dj...

originally swiss, **shahira** (berlin) is one of the founders of minimaldesigner. as she has no fear of big challenges and unconditionally loves electronic music, she recently moved to berlin: there she's living, working and setting herself up as dj & producer. nothing can cut her up, and who should want to hold her back? too original is her taste and too skilled she is behind the decks! we're proud to have her here for a studio-session, although her schedule doesn't allow a live-stream. anyway, be prepared for a lesson in subtlety and passion! shahira is introduced by **new.com** (p45/cmfrt\_ns\_prdctns/dub\_ex\_machina).
