technoish house

cosili (p45, stattmusik, motoguzzi, creaked) is the man with the expert's eye! as producer, dj and co-owner of the record store "p45 records" in zurich/switzerland, he's in the vinyl-business for quite some years now. since it is a sad reality that p45 is closing its doors soon, time has come to take a serious look back. cosili is therefore not only playing his favourite tracks on genuine vinyl, but also shares some of his unforgettable impressions as a passionate vinyl-dealer - who significantly shaped more than one precious music-collection out there! cosili is introduced by **new.com** (p45/cmfrt_ns_prdctns/dub_ex_ma-china).
