

june-08-show

from house to dubstep

dario rohrbach (gelbes billett, basel) aka **dj d.l.c.** (elephant prod., basel) is dj-ing, producing and organizing parties since more than 10 years. he's familiar with a couple of music-genres: house, drum&bass, breakbeat, techno and finally: dubstep. for he doesn't favour any particular style, we can expect an as open minded as eclectic radio-show. dario is introduced by **new.com** (cmfirt_ns_prdctns/p45)
